FACIAL REFLEX THERAPY CLASSES WITH LONE SORENSEN HARRISBURG, PA USA APRIL 5 - 6, 2017

NCBTMB and ARCB 16 CEU Hours For Each Class

Tibetan Neuro-Foot Reflex Therapy “Praxis Vertebralis” with Lone Sorensen - MODULE 2 (Prerequisites: Module 1)

Course Dates: April 5 and 6, 2017 (Wednesday & Thursday)

A Neurological Technique Based in Posturology

An effective technique that can very quickly restore the body physically, chemically, biologically, and mentally as well as balance postural problems. Originally performed directly on the spine, this ancient technique has been renewed and studied by doctors in Argentina, which has elucidated more accurate neurological connections to make it now possible to perform the method from areas and points on the feet. Instruction and practice each day.

Pre-Registration Required — TUITION: \$450 USD
\$225 USD Non-Refundable Deposit Due by January 15, 2017.
Balance Due at First Class.
